

2023-2024 Quiz & Exam Student Contract

Mrs. Sirk's Classroom

Mrs. Sirk has informed all students that phones, smart watches, and headphones are to be placed in lockers before attending the assessment periods.

If the student forgets to leave any of these items in their locker before entering the assessment period, the student will be asked to place the electronic device on Mrs. Sirk's desk for the testing period.

If a student does not follow these directions for any reason and is found to have any of the above electronic devices on them during the assessment (*regardless of the use or non use of the device*), it will result in an automatic zero for the assessment.

As the student, please sign below to indicate that you have been informed by the teacher and have read and understand the student contract for devices in the classroom during the assessment.
