School Associated COVID Cases

New Cases	1
Cumulative Cases	65
Populations Affected	Students/staff

Hello Blue Devils families and staff.

We have been made aware of a positive COVID-19 case at Malcolm High School. The affected individual is under quarantine. The Chippewa County Health Department (CCHD) is investigating the case and conducting contact tracing to determine close contacts. Those identified as close contacts will be contacted directly by the Chippewa County Health Department and receive instructions on what to do next.

In accordance with HIPAA and FERPA laws, health information is private and we will not provide specifics about the cases.

We ask that all students and staff fully cooperate with CCHD which will prevent further spread of the disease in our community. If you are contacted by the CCHD and placed under quarantine or isolation for a COVID-19 infection, please let the district know.

Please remember to practice the 3 Ws:

- Wear a mask covering your nose and mouth
- Watch your distance
- Wash your hands with soap and water frequently for at least 20 seconds

Thank you.

Dr. Tim Hall
Superintendent of Schools
