Concern:
Student, staff and parent safety

Goal of Project:
Increase safety
Reduce congestion

Considerations and Limitations:
• Access for students and staff with disabilities
• Student entrances
• Visitor entrance
• Transportation delays due to traffic backups
• Safe parking lots
• City ordinances for traffic flow
• Parent time to drop and go
• Parents with students in both buildings on main campus

Team:
City Civil engineers
Building Principals
Superintendent
Transportation
Maintenance
Parent Concerns
