

Hello Blue Devil Families.

At its meeting last night, the Board of Education determined that enrollment and participation in Virtual Blue, our fully remote on-line learning program, would be based on marking periods. The Board directed that effective immediately, movement into or out of Virtual Blue will only be made at the end of the marking period in an effort to maintain continuity for students and teachers.

NOTE: Changes for the second marking period must be made by Thursday, November 12, 2020 at 3:00 PM. If you plan to make a change, please contact your child's building principal before the deadline.

After November 12, 2020, the next time a student can switch is at the start of the second semester (January 26, 2021). If you are planning to continue with Virtual Blue in the second semester, please notify the school principal so we can enroll your student in virtual classes. Notification of changes to or from Virtual Blue for the third marking period must be made by January 22, 2021.

Thank you.
