HELPFUL TEACHER OF THE MONTH

In an effort to recognize outstanding positive contributions made by our teaching staff, we would like to present you with the selection of our Helpful Teacher of the Month. This month it is our pleasure to announce:

Marcie Gleason as our Helpful Teacher of the Month For June 2016 From: Washington School

Ed Chevillot, Washington School Principal, is pleased to recommend Marcie Gleason as Teacher of the Month. Marcie currently teaches third grade and has been teaching with the Sault Area Public Schools for 25 years. She obtained her bachelor's degree from Central Michigan University majoring in elementary education, with a minors in biology, reading and art education and her master's degree from Central Michigan University majoring in elementary education/early childhood.

One of the words that comes to mind when you think of Marcie Gleason is "helpful." Mrs. Gleason is helpful to her students, their families and our school. She is always available to help her students who need extra help, or to families seeking ways to support their student. Marcie is quick to find shoes, boots or a coat for a student in need, or to provide support to that student's family.

However, she can often be found helping out in many other positions whether she is filling in for a playground supervisor, providing services in the absence of the school nurse, serving as acting principal, or filling in for a paraprofessional on one of the school buses.

She has served on several committees at the school and district level, most recently the District School Improvement Team. Mrs. Gleason always demonstrates a positive attitude and has excellent work ethic. She is dedicated to the success of each of her students, our school and district. She is loved by her students and well-liked by our staff. She can always be counted upon to do what is "right" for students, or to help out in any she is asked.

Marcie is married to Mark. They have 4 children, Jared, Ryan, David and Journey. Her hobbies and interests include downhill skiing, swimming and watching movies.

In recognition for her many accomplishments, please join us in congratulating Marcie Gleason for being selected as our Helpful Teacher of the Month. She will receive a \$50 gift certificate for her efforts from our sponsors Parker Ace Hardware, the helpful place, and Doug Laprade Agency MEEMIC Insurance.
