

# Honors Chemistry Classroom Expectations

Sault Area High School, 2023-2024 School Year

I have read and understood Mr. Wicks' classroom expectations on the course syllabus, and I agree to follow them throughout this course. I understand that failure to "live up" to these expectations may result in one or more of the following actions:

- A verbal warning.
- Grade reduction.
- Detention before or after school with the teacher.
- Phone calls home to a parent or guardian.
- Referral to the Assistant Principal for disciplinary action.

Student Name (print clearly): \_\_\_\_\_

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

*After you have read and signed this agreement, return it to Mr. Wicks.*

# Honors Chemistry Lab Safety Agreement

Sault Area High School, 2023-2024 School Year

I have read Mr. Wicks' Lab Safety and Housekeeping Rules, and I agree to follow them throughout this course. I understand that violation of lab safety rules may result in one or more of the following actions:

- A verbal warning.
- Grade reduction.
- Detention before or after school with the teacher.
- Phone calls home to a parent or guardian.
- Referral to the Assistant Principal for disciplinary action.

If I engage in actions that purposely threaten my own safety or the safety of my classmates, I understand that I will likely receive a referral.

Student Name (print clearly): \_\_\_\_\_

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

*After you have read and signed this agreement, return it to Mr. Wicks. Your signature is required in order for you to perform laboratories this school year.*

# **Student and Parent/Guardian Acknowledge They Have Read the Honors Chemistry Syllabus**

Sault Area High School, 2023-2024 School Year

I have read the Honors Chemistry course syllabus, and I have had an opportunity to ask questions about how the course will be conducted. (A copy of the Honors Chemistry course syllabus will be available online at [www.saultschools.org/Page/1246](http://www.saultschools.org/Page/1246) throughout the school year.) I understand that this is an algebra-based science course intended for college-bound 10<sup>th</sup> and 11<sup>th</sup> grade students. It will especially help students who plan to take Physics, A.P. Physics 1, A.P. Biology, Anatomy and Physiology, or College Chemistry at Sault High.

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Student Name (Please Print): \_\_\_\_\_

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_

*After you and your parent (or guardian) have read and signed this agreement, return it to Mr. Wicks.*
