

# Paige Schuurhuis

Mrs. Cindy Zain,  
Business, Management,  
Marketing & Technology  
teacher has selected  
Paige Schuurhuis  
as Outstanding  
Information Technology  
student of the  
3rd quarter for the  
2014-2015 school year.

Paige is an outstanding student for many reasons. Paige has been a student in Information Technology for the past two years. In these two years there has not been a single day when Paige has not worked in class. Whether it is working on her own classwork or helping a classmate, she is always busy. She has been a member of Business Professional (BPA) for two years and qualified to attend the State Leadership Conference both years. This year she qualified to attend the National Leadership Conference by placing second in the Fundamentals of Web Design competition. She will be traveling with us to Anaheim, California, and I am confident that she is going to do very well.

Paige has become the “expert” on web design. Whenever I cannot figure out how to solve a problem, I just say “Paige, I need you”. She is very determined and will work on a problem until it is solved. Paige plans on attending Northern Michigan University to study Computer Science.

Congratulations Paige  
On being the Outstanding Student of the Quarter in  
Information Technology!

# John Goetz

Mrs. Cindy Zain, Business,  
Management, Marketing &  
Technology teacher  
has selected  
John Goetz  
as Outstanding  
Information Technology  
student of the  
3rd quarter for the  
2014-2015 school year.

John has been a student in Information Technology for the past two years. John was a member of Business Professionals of America (BPA) last year and qualified to attend the State Leadership Conference in the Fundamentals of Web Design competition.

John is also an outstanding student who is always working in class. John is always busy working on either his own classwork or helping a classmate. You would never find John “goofing off” or doing nothing. He decided this year that he wanted to learn Photoshop and he has become very adept at it. In fact, when Tracey Laitinen from the United Way needed a new logo for one of their programs, I asked John if he would be willing to do this. He quickly agreed and created a logo for the “Removing Barriers to Education” program. Tracey loved his design and it is now used on the literature for this program. John also plans on attending Northern Michigan University to study Computers/Art/Graphic Design.

John is absolutely wonderful and very deserving of being named an Outstanding Student. He is a remarkable young person who I am confident will be very successful in anything he chooses to do.

Congratulations John  
On being the Outstanding Student of the Quarter in  
Information Technology!

# Anna Harrington

Mrs. Diane Harrington,  
Business, Management,  
Marketing & Technology  
teacher has selected  
Anna Harrington  
as Outstanding  
Administrative Services  
student of the  
3rd quarter for the  
2014-2015 school year.

Anna is a two year student in Administrative Services that continually works hard to accomplish her goals. In this nine week marking period she has earned her Microsoft Office Specialist certification in Word and PowerPoint. She is a student who is focused, detail oriented, and reliable. Anna serves as the Business Professionals of America (BPA) Co-President and has been a member for four years.

Anna was a first place state winner in Advanced Word and a third place state winner in Integrated Office Applications along with earning her Statesman Torch Award. Anna will be representing Sault Area Career Center May 2015 at BPA Nationals in Anaheim, California.

Congratulations Anna  
On being the Outstanding Student of the Quarter in  
Administrative Services!

# Payton Salomon

Mrs. Diane Harrington,  
Business, Management,  
Marketing & Technology  
teacher has selected  
Payton Salomon  
as Outstanding  
Administrative Services  
student of the  
3rd quarter for the  
2014-2015 school year.

Payton has been a student in the Administrative Services area since she was a sophomore. Payton strives each day to learn and uses every minute she has in class to soak in everything she can. Payton earned her Microsoft Office Specialist certification in Excel and is serving as one of the co-treasurers for Business Professionals of America (BPA). Payton was a first place BPA state winner in Advanced Spreadsheet Applications. In addition, she was recognized for statesman torch award at the state conference in Grand Rapids, Michigan.

Congratulations Payton  
On being the Outstanding Student of the Quarter in  
Administrative Services!

# Emma Vermette

Mrs. Heather Suggitt,  
Business, Management,  
Marketing & Technology teacher  
in Accounting/Financial  
Marketing has selected  
Emma Vermette  
as Outstanding  
Accounting/Finance student of  
the second quarter of the  
2014-2015 school year.

Emma is a senior in her second year of the Financial Marketing program, which is a two hour block. During the first hour of the block Emma spends her time working on job titles for the Career Center Certificate she will receive at graduation. During the second hour she and the rest of the marketing class work on related projects for the Varsity Blues store. During the second half of the year, when many seniors' productivity begins to slow down, Emma has actually increased her productivity! She has already completed 8 of the possible 14 job titles.

Emma has a good attitude toward her work and all of the projects we do. At Christmas time she was an outstanding elf that welcomed over 400 elementary students to visit with Santa at Varsity Blues. She is always willing to do whatever is needed to finish a project.

In addition to the many projects in Financial Marketing, Emma has obtained Microsoft Office Specialist certifications in Word Core, Excel Core, and PowerPoint in her Administrative Services class. This is a huge accomplishment for any student, and Emma achieved these certifications all within a nine week marking period!

Congratulations Emma  
On being the Outstanding Student of the Quarter in  
Accounting/Finance!

# Hunter Killips

Mr. Larry Warner,  
Drafting & Design  
Technology teacher has  
selected  
Hunter Killips  
as the Outstanding  
Drafting & Design  
Technology student of the  
3rd quarter for the  
2014-2015 school year.

Hunter is a senior with a two hour block of drafting and design. He plans to continue in a related field during his post-secondary education. Hunter has been designing residential houses and perfecting his skills with Envisioneer CADS soft programs.

Congratulations Hunter  
On being the Outstanding Student of the Quarter in  
Drafting & Design Technology!

Harrison Thorne

Mr. Gary Herschell,  
Work-based Learning  
Coordinator has selected  
Harrison Thorne  
as Outstanding Work-based  
Learning student of the  
3rd quarter for the  
2014-2015 school year.

Harry has been chosen as outstanding student of the quarter for the Less than Class Size Program. Harry is currently training at the Sault Tribe Police Station supervised by Mr. Robert Marchand. Mr. Marchand has indicated that Harry is doing an excellent job out in the field with his staff, and is excited to come in each day with not knowing what will be in store for him. Harry is very enthusiastic about working at his site, and has definitely locked in a career path that he wants to pursue after graduation. Harry has set a great standard for our program and has created a lot of interest in students for the following school year.

Congratulations Harrison  
On being the Outstanding Student of the Quarter in  
Work-based Learning!

Jill McElhinny

Mrs. Wendy Frush,  
Health Sciences  
Teacher, has selected  
Jill McElhinny  
as the Outstanding  
Health Sciences  
Student of the  
third quarter for the  
2014-2015 school year.

Jill is an exceptional student who demonstrates all the qualities of a successful leader, organizer and mentor. Every day she practices these qualities in the classroom and during the clinical site rotations. As the American Red Cross Student Coordinator for the school sponsored blood drive she received accolades of praise from community members and professional leaders. They were complimentary of her communication skills, organization, and approachability.

Jill always has a kind word, a bright smile, and questions of curiosity all qualities that guarantee she will be successful in any career she chooses. She is dedicated to her studies and arrives in class prepared. Her commitment to educational and personal growth is unprecedented and sets the stage for a great college experience.

As Jill's Health Science Instructor I am proud to give her the honor of Health Science Student of The Quarter.

Congratulations Jill  
On being the Outstanding Student of the Quarter in  
Health Sciences Technology!

# Andrew Dale

Mr. Gary Herschell,  
Construction Technology  
teacher has selected  
Andrew Dale  
as the Outstanding  
Construction Technology  
student of the 3rd quarter  
for the  
2014-2015 school year.

Andrew Dale has been chosen as outstanding student of the quarter for Construction Trades. This is Andrew's first year in the program. Andrew has been a great asset to our program by bringing prior knowledge of the field to the class. Currently Andrew is completing a Less than Class size program with Roy Electric Co., Inc. with anticipation of becoming a Journeyman Electrician when he graduates. Andrew brings knowledge of the field of construction along with an electrical background to share with his fellow classmates. Andrew has also designed and built an electrical training center for the use in our Construction Trades Program.

Congratulations Andrew  
On being the Outstanding Student of the Quarter in  
Construction Technology

# Alexander Wilson

Mr. Tim Strader, Automotive Technology teacher has selected Alexander Wilson as the Outstanding Automotive Technology student of the 3rd quarter for the 2014-2015 school year.

Alex is a very hard worker. He is always looking for work to keep busy, often times helping other students on projects that they are working on. He never gives up and keeps with a project no matter how large or small. He is a fast learner, follows instruction well and retains what he has been taught.

I have great fun with Alex in class and we joke with each other often. He has a good sense of humor and helps keep the class light hearted.

Congratulations Alex  
On being the Outstanding Student of the Quarter in  
Automotive Technology!

# James Demitropoulos-Doud

Mr. Gary Herschell, Machine Tool Technology teacher has selected James Demitropoulos-Doud as the Outstanding Machine Tool student of the 3rd quarter for the 2014-2015 school year.

This is James' second year in the Machining program. James has done a tremendous job this year improving his skills in the Machining Trade. James has become a member of First Robotics where he spends the majority of his time making parts for the Robot. He has become successful enough in the parts making department to have been asked to be a part of the "Pit Crew" during competitions. James has an eye for detail and has a great work ethic.

Congratulations James  
On being the Outstanding Student of the Quarter in  
Machine Tool Technology!

# Ryan Hill

Mr. Greg Rambo,  
Welding Technology  
teacher has selected  
Ryan Hill  
as the Outstanding  
Welding/Brazing  
Technology student of  
the 3rd quarter for the  
2014-2015 school year.

Ryan Hill has been a help during first hour mentoring and directing some of the Tech Ed students as well as being a help for the teacher. During the two hour Welding class period, Ryan has been able to keep up with his required work while leading and helping on numerous projects. Ryan is always willing to help others as well as having a great attitude.

Congratulations Ryan  
On being the Outstanding Student of the Quarter in  
Welding Technology!
