

Erin Knight

Mrs. Cindy Zain,
Business, Management,
Marketing & Technology
teacher has selected
Erin Knight
as Outstanding
Information Technology
student of the
2nd quarter for the
2014-2015 school year.

Erin has been in the Information Technology Program since January of 2014 and has accomplished much in just one year. Erin is an extremely hard working student who is very self-motivated and focused. Erin never has to be told to “get working”. As soon as she finishes one project, she is starting another without any prompting from me. She is extremely curious and always endeavors to learn new programs or ideas. She has become very proficient in HTML/CSS Web Design as well as Desktop Publishing using both Microsoft Word and Publisher. Erin is not afraid to take on a new challenge and will tackle any task she is presented with.

Erin joined Business Professionals of America this year and was very successful, qualifying to attend the State Leadership Conference in the Desktop Publishing competition. Erin is very helpful to me as well as the other students in class. She doesn't hesitate to offer to show another student how to do something. I chose Erin as one of my ambassadors for the recent Career Center Open House and her presentations to the visitors were very impressive.

It is with great pleasure and pride that I name Erin Knight as the Outstanding Information Technology Student of the Quarter for the 2nd 9 weeks.

Congratulations Erin
On being the Outstanding Student of the Quarter in
Information Technology!

Hayley Morley

Mrs. Diane Harrington,
Business, Management,
Marketing & Technology
teacher has selected
Hayley Morley
as Outstanding
Administrative Services
student of the
2nd quarter for the
2014-2015 school year.

Hayley is a senior in her second year of
Administrative Services. She has earned two
Microsoft Office Specialist certifications this quarter
in Word and Powerpoint. Her hard work ethic and
goal setting has set her above her peers. She
continues to work diligently each day to learn new
skills to help her prepare for her future.

Congratulations Hayley
On being the Outstanding Student of the Quarter in
Administrative Services!

Kimberly Jodoin

Mrs. Diane Harrington,
Business, Management,
Marketing & Technology
teacher has selected
Kimberly Jodoin
as Outstanding
Administrative Services
student of the
2nd quarter for the
2014-2015 school year.

Kimberly has earned two Microsoft Office Specialist certifications this quarter in Word and Powerpoint. In addition, she was a first place winner at Business Professionals of America (BPA) regional competition at Escanaba, Michigan this January 2015 in Entrepreneurship. Kimberly also serves as BPA historian.

Congratulations Kimberly
On being the Outstanding Student of the Quarter in
Administrative Services!

Jade Prevost

Mrs. Heather Suggitt,
Business, Management,
Marketing & Technology
teacher in
Accounting/Finance
has selected
Jade Prevost
as Outstanding
Accounting/Finance
student of the second
quarter of the
2014-2015 school year.

Jade is a senior in her second year of the Accounting program. She is enrolled in two hours of Accounting and never runs out of projects to work on. Jade uses the fundamentals of accounting she learned in her first year in the program everyday as she completes job titles for the Career Center certificate she will receive at graduation.

Jade is also a competitive member of Business Professionals of America in which she recently competed at the Regional level. Jade competed in Fundamentals of Desktop Publishing and ranked fifth in Payroll Accounting. Leading up to competition, Jade was diligently studying and practicing. In addition to her own classwork and competition preparation, Jade took the time to help a fellow student, that joined class late, catch up on their missing work. Jade was able to polish her skills by teaching this student the fundamentals of accounting.

Jade never seems frazzled by any sort of stress. Her quiet demeanor and positive approach make her an ideal student. She is organized, determined and has a strong work ethic which will be valuable in college and her career path.

Congratulations Jade
On being the Outstanding Student of the Quarter in
Accounting/Finance!

Alicia Birkenhauer

Mr. Larry Warner,
Drafting & Design
Technology teacher
has selected
Alicia Birkenhauer
as the Outstanding
Drafting & Design
Technology student
of the 2nd quarter for
the 2014-2015
school year.

Alicia is a junior in her first year of Drafting & Design Technology and has proven to be an outstanding student because of the excellence she demonstrates in the classroom on a daily basis. Every day Alicia is on task and focused on assignments and projects, making sure all her requirements are completed on time and to a high standard. Alicia pays attention to critical details when producing drawings that are neat and of professional quality.

Congratulations Alicia
On being the Outstanding Student of the Quarter in
Drafting & Design Technology!

Martina Troyer

Mr. Gary Herschell,
Work-based Learning
Coordinator has selected
Martina Troyer
as Outstanding Work-based
Learning student of the
2nd quarter for the
2014-2015 school year.

Martina is currently working in Mrs. Pace's first grade classroom at Washington Elementary. Mrs. Pace stated, "Martina is doing a wonderful job. She works hard every day and always does a great job when working with students." Martina is always on time with all of her requirements for the class and takes pride in the work she accomplishes. Finding a student who is this energetic about education this early in life is exciting to see. The experience Martina gains now will undoubtedly help make her an excellent teacher someday.

Congratulations Martina
On being the Outstanding Student of the Quarter in
Work-based Learning!

Taylor Kalchik

Mrs. Wendy Frush,
Health Sciences
Teacher, has selected
Taylor Kalchik
as the Outstanding
Health Sciences student
of the
second quarter for the
2014-2015 school year.

Taylor Kalchik is the Career Technical Centers Outstanding Health Science Student. Taylor exemplifies the qualities of a dedicated student, health science leader, and collaborative team player. She has excelled over the past nine weeks in a relentless commitment and dedication to her academic curriculum. Her participation in class discussion and class projects is always educated, pertinent, and thought provoking.

As a student leader Taylor promotes classroom participation with her peers. Her professionalism never waivers and she is the first to take on new tasks. She is able to work independently and expands her autonomy with every challenge. Her personality reflects a positive, contagious energy.

She has great collaboration and communication skills that will serve her well in any future endeavors. What ever path Taylor takes will be a successful one based on her commitment and drive.

Congratulations Taylor
On being the Outstanding Student of the Quarter in
Allied Health Technology!

Ryan Hill

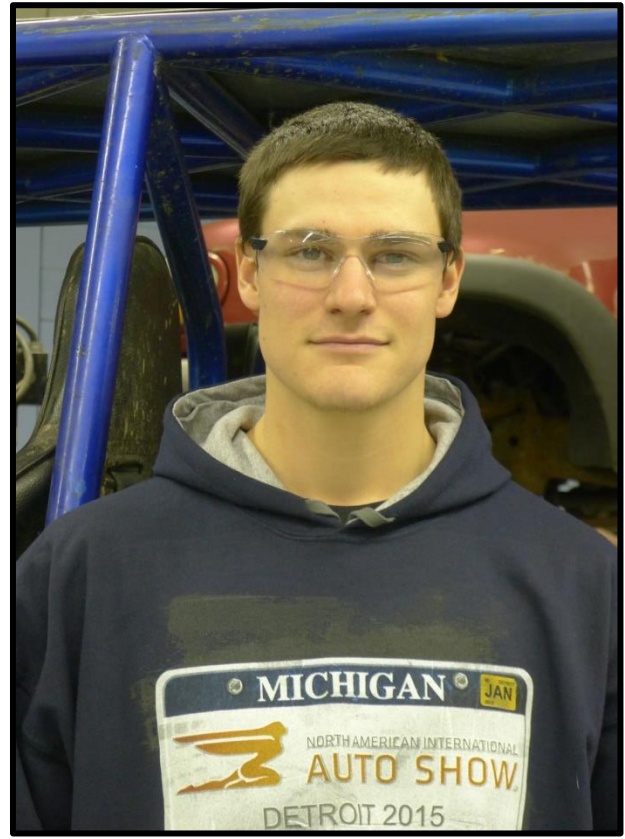

Mr. Gary Herschell,
Construction Technology
teacher has selected
Ryan Hill
as the Outstanding
Construction Technology
student of the 2nd quarter
for the 2014-2015
school year.

This is Ryan's second successful year in the Construction Trades program. Ryan has really stepped up his game this year with his involvement on the floor and skills acquired during his time in Construction. Being in his second year Ryan has stood up to be a leader and has really focused his attention to details. I know that if I have a project that requires meticulous planning and patience to complete, I can count on Ryan to get it done. Even though this may not be a career choice for Ryan, the skills and abilities he has received will benefit him later on in life.

Congratulations Ryan
On being the Outstanding Student of the Quarter in
Construction Technology

Jacob Sherwood

Mr. Tim Strader,
Automotive Technology
teacher has selected
Jacob Sherwood
as the Outstanding
Automotive Technology
student of the
2nd quarter for the
2014-2015
school year.

Jake has the ability to stay with a job until it is completed. He stands as an example to his peers. Jake is always willing to learn new things and never shies away from hard work. He has been the go-to guy for projects this quarter and several jobs would not have been completed without his hard work.

Congratulations Jacob
On being the Outstanding Student of the Quarter in
Automotive Technology!

Zachery Sylvester

Mr. Gary Herschell,
Machine Tool
Technology teacher
has selected
Zachery Sylvester
as the Outstanding
Machine Tool student
of the 2nd quarter for
the 2014-2015
school year.

This is Zach's first year in the Machining program. After only being in the program for one semester, Zach has proven himself to be a reliable, enthusiastic machinist. He has the ability to take on projects and complete them with little to no help. He has taken the information that has been given to him, and worked tirelessly building on those concepts to pursue more complicated tasks. I'm very excited that Zach has a love for this trade, and look forward to seeing where it brings him in the future.

Congratulations Zachery
On being the Outstanding Student of the Quarter in
Machine Tool Technology!
