COMING SOON!

Blackboard REACH: We care about our students and understand the important role education plays in their future. We also know building strong relationships with students and parents is the foundation for a connected and supportive learning environment. This new communication tool, Reach, will help us facilitate meaningful conversations that can have a positive impact on student success through classroom updates.

We will provide login information and app information as the school year gets closer! Below is a link that will show you how Reach will work.
